## Amazing Answer!

Last week, during 6th grade Bible, the class was asked the following question; *“Who is the most important person in the Bible besides, God, Jesus and the Holy Spirit? Before you read the answer... how would you respond?”*

6th grader, Jessica Patterson, had quite an amazing answer--her reply was...

“your neighbor”.

God tells us that loving Him is number one and loving others is number two. This would certainly make our neighbors VIP’s in our lives! Did you know the phrase, “Love your neighbor” is repeated 10 times in scripture? Romans 15:2 says, “We should all please our neighbors. Let us do what is good for them. Let us build them up.”

Awesome answer, way to go Jessica!

## “CALLING ALL IOU’S”

As we close out the hot lunch program for this 06/07 school year **please help us by paying all of your outstanding hot lunch IOU’s asap.** We will NOT be

able to give out any IOU’s for lunch as of June 1st. Unfortunately we cannot make any exceptions, so please plan accordingly. The last day hot lunch will be served is June 7th - pizza day. Yeah! Thank you to the entire lunch staff for their hard work and dedication to feeding all you munchkins!

## CAMP KENNOLYN

Kennolyn Day Camp supports our school through a generous rebate program. We receive a portion of the camp’s fees for every one of our students that attends their camp. Check out their program. Kennolyn is a 300 acre camp in the redwoods where your camper will find traditional songs, horseback riding, swimming instruction, games and more. There is also a sleepover under the stars known as “Outpost” and a “Family Night” so you can see your child(ren) in action and chat with their counselor while enjoying a delicious BBQ dinner. ## Kidz With Character!

This weeks *featured* students are: **Paris Shewfelt, Holly Finn & Brooke Snedeker**

Paris is the founder of Great Kids Care.com, an organization designed to raise awareness, motivate, and inspire other young children wanting to grow personally and creatively: all while having fun & becoming actively involved in their local communities. Both Brooke and Holly have joined Paris in an effort to save our shores! The 3 girls have designed and donated art to local art shows. In addition, the girls have participated in a monthly clean up of our beaches. The girls have been showcased on Community TV Santa Cruz which will be aired over the next few weeks on Mondays and Fridays!

We are proud of you girls. Thanks for your example of serving others.
